All That Glitters

Philly's independent jewelry stores sparkle with originality and elegance. At **Adorn Boutique** and showroom (1314 Frankford Ave., 215.739.2120) in Fishtown, Sarah Lewis sells designs inspired by her worldly travels. Perfect for modern, free-spirited women, Lewis' creations showcase crystals, colored stones and natural materials. Enjoy a laid-back, luxurious shopping experience at **Egan Day** (260 S. 16th St., 267.773.8833), a Rittenhouse Square oasis that stocks exquisite, small-production work made from precious metals by world-renowned artists. Behind an unassuming exterior at **Halloween** (1329 Pine St., 215.732.7711), a whimsical wonderland awaits, filled with antique jewelry and one-of-a-kind treasures. —A.C.
